

STAS
TNY
ARTIST

Stastny ist der Name meines Vaters

Stastny ist das malende Alter-Ego von Gustav Assem.
Geboren 1962 in Wien, arbeitet als selbständiger Grafiker seit 1991.

Alle Bilder sind während der Pandemie entstanden (bzw. ein paar alte übermalt worden). Alle sind Acryl auf Leinwand.

Ein Kunstwerk gehört sich selbst, nachdem die Arbeit daran vollendet ist, bzw. den Betrachtenden, die es hier als Abbildungen oder wenn jemand eines für sich haben will, zu Hause an der Wand, betrachten können.
Natürlich will der Künstler etwas damit verdienen, schließlich hat er Geld und Zeit investiert. Was der „Markt“ dazu sagt oder die Kritik, ist mir als Künstler egal.
Nicht weil ich abgehoben darüber stehe, sondern weil mir nur wichtig ist: Läßt sich etwas finden, was ich so gesehen habe, läßt sich etwas entdecken, das ich übersehen habe – das könnte spannend werden.
